

## Barbara A. Foley Quality, Safety and Injury Prevention Award

### Description

This award recognizes an emergency nurse who has developed, implemented or advocated for quality, safety and/or injury prevention initiatives that have resulted in improved outcomes in the emergency care setting or at the local, state, national or global level.

### Requirements

- Nominee must be an ENA member.
- Nominee must have a minimum of three years of experience in the field of quality, safety or injury prevention.
- Nominator must be an ENA member.
- Two narrative statements (each addressing three separate criteria listed below) written by two different individuals. One narrative must be written by the Nominator.
- CV / Resume summary of the Nominee (please see pages 2 and 3 in the [Achievement Award Handbook](#) for a list of specific information needed).

### Narrative Statements / Criteria

**Please do not include the name of the nominee in the Narrative Statements.**

- Each response must be limited to a maximum of 200 words.
  - Develop responses in a word processing program such as Microsoft Word, use the WORD COUNT checker to ensure your responses are limited to 200 words, as well as the spell-check option. Then copy and paste responses into the online nomination form.

**Narrative Statements should address each criterion listed below:**

1. Provide specific example(s) of how the nominee developed or promoted quality, safety or injury prevention initiatives in the emergency care setting or at the local, state, or national level.
2. Provide specific example(s) of how the nominee PROMOTES:
  - a) Quality/safety programs resulting in improved outcomes by collaborating with providers, community groups or law enforcement.

OR

  - b) Structured injury prevention programs, shared in media, etc.
3. Provide specific example(s) of the nominee's advocacy efforts related to legislation, policy or regulatory enforcement that will prevent injuries and deaths or improve the delivery of safe care.
