

Nurse Researcher Award

Description

This award recognizes an individual nurse who has made significant contributions to the profession of nursing, particularly the specialty of emergency nursing by conducting research, disseminating research findings, or using research to improve outcomes.

Requirements

- Nominee must be an ENA member.
- Nominee must have a minimum of three years of experience in the field of NURSING research.
- Nominator must be an ENA member.
- Two narrative statements (each addressing four separate criteria listed below) written by two different individuals. One narrative must be written by the Nominator.
- CV / Resume summary of the Nominee (please see pages 2 and 3 in the [Achievement Award Handbook](#) for a list of specific information needed).

Narrative Statements / Criteria

Please do not include the name of the nominee in the narrative statements.

- Each response must be limited to a maximum of 200 words.
- Develop responses in a word processing program such as Microsoft Word, use the WORD COUNT checker to ensure your responses are limited to 200 words, as well as the spell-check option. Then copy and paste responses into the online nomination form.

Narrative statements should address each criterion listed below:

1. Provide specific example(s) of how the nominee demonstrates professional characteristics of an emergency nurse while collaborating with colleagues in the work setting.
2. Provide specific example(s) of how the nominee actively participates in:
 - a) research activities that have added to the scientific base of emergency care.

OR

 - b) application of research findings in the implementation of evidence-based practice in emergency care.
3. Provide specific example(s) of how the nominee disseminates research findings through publication in professional journals, textbooks, or presentations at professional conferences.
4. Provide specific example(s) of the development or implementation of a sustained program or project that had a positive impact on the specialty of emergency nursing, a community, region, nationally or globally in which positive patient outcomes resulted.
